

BESTO COMFORT FIT 165N- HI-FINISHED – TAILORED DESIGN – 3D NECK

LIFEJACKET 165N “ENHANCED” STYLE

A new designed Inflatable lifejacket, that meets the highest standards of Comfort. Superb comfort is achieved with an ergonomic design, light weight and soft flexible cover. The special back panel and adjustable backstrap ensures that the collar stays away from the neck and creates optimal weight/pressure distribution on the body for optimum comfort. It therefor makes the lifejacket very comfortable to wear, also when used for a prolonged period of time.

SAFETY

- special designed a-symmetrical bladder makes sure the turning of the body goes quickly
- high freeboard
- maximum chin and head support
- 165 Newtons buoyancy.

STANDARD FITTED WITH

- A strong YKK burst zipper keeps the bladder in place.
- Soft D-ring harness loops for weight reduction
- A crotch strap as standard for optimum safety.
- Reflective panels on outer cover for high visibility in the night
- Available in 5 colours
- Halkey Roberts V90000 system with Super bobbin
