KEY ATTRIBUTES

EVERYDAY USE

Looking for a simple pack that provides great comfort and added features such as an integrated raincover? The Hikelite™ is the right pack to grab before heading out your door, no matter the destination or the weather.

VENTILATION

Hoisting a sweaty pack onto your back is one of the least enjoyable experiences imaginable. The suspended-mesh Airspeed™ Hikelite™ backpanel means hikers never have to worry about those soggy moments ever again.

HIKELITE™ 26

- + Front fabric shove-it pocket, upper and lower compression straps

HIKELITE™ 18

- + Upper compression straps

CARRY

AIRSPPEED™ SUSPENSION

- + Mesh backpanel supported by LightWire™ frame, while side vents maintain comfortable fit and keep your back cool

BIOSTRETCH™ VENTILATED HARNESS

- + EVA foam is perforated with large holes for enhanced breathability and comfortable stretch

PADDED HIPWING

- + Padded spacer mesh hipwings with straight ErgoPull™ closure
