

Introduction

Congratulations on the purchase of your new Zodiac T5 automatic pool cleaner. Your Zodiac T5 is designed and manufactured for easy installation, and years of carefree operation. Before installing the cleaner, please take a few moments to become familiar with its components and to review the items listed under **Important Information**.

Like most mechanical devices, the Zodiac T5 requires periodic adjustments, routine maintenance, and the replacement of certain hardworking parts. Be sure to have the Zodiac T5 checked occasionally by your local Zodiac dealer or service center.

Always insist on genuine Zodiac® replacement parts. Non-Zodiac parts are not made to our specifications. They may have an adverse effect on the operation of your Zodiac T5 or may even damage it.
